

Public Comment is Sought for a Proposed Delegation Agreement for Section 106 Compliance in Transportation

The Federal Highway Administration (FHWA), the State Historic Preservation Office (SHPO), and the Pennsylvania Department of Transportation (PennDOT) are seeking public comment on a proposed programmatic delegation agreement for Section 106 activities in transportation. The proposed agreement will replace and expand on the existing Minor Projects Programmatic Agreement. The public is encouraged to review and comment on the draft agreement by April 15th, 2009.
