Don't Gamble with Gettysburg!

Spend this Sunday at a candlelight vigil at Gettysburg Battlefield to support the preservation and protection of this sacred land.

Preservation Pennsylvania has joined with the National Trust for Historic Preservation, the Civil War Preservation Trust, the National Parks Conservation Association and No Casino Gettysburg to protest the recent proposal to build a casino less than a mile from the National Park. This Sunday, the coalition will host a candlelight vigil and Civil War musical selections from the 2nd South Carolina String Band.

For more information about the event or this issue, visit www.NoCasinoGettysburg.org.
